The owners and staff at Maddybenny welcome you as a livery client. We hope you will enjoy you time spent here with your horse/pony and we will be happy to give assistance when required.

We wish to advise our clients of their own responsibilities as regards their animals and their riding and would encourage them to have adequate insurance cover.

We advise that all appropriate headgear, footwear and body-protectors are worn both on the premises and when riding out. It is also recommended that when riding on the roads appropriate fluorescent/reflective tabards be worn.

There are a number of signs around the yard – please read them carefully and respect their message.
